

MADERA
FINISH CARPENTRY

Trade Capabilities Sheet
Interior finish carpentry · Metro Atlanta

A trade partner you can count on.

Finish carpentry is one of the last trades on the job and one of the most visible. We show up ready, communicate directly, and leave a clean, punch-list-ready finish behind — for builders, GCs, and remodelers across Metro Atlanta.

WHAT WE INSTALL

Trim Installation

Crown, casing, baseboard, paneling, shiplap & wainscoting.

Door Installation

Barn, pocket, French, bifold & standard interior doors.

Stair & Railing

New staircases, replacements & custom railing systems.

Custom Carpentry

Built-ins, mantels & floating shelves.

WHY BUILDERS WORK WITH US

Reliable scheduling

Clear timelines and steady communication, from rough-in to final walkthrough.

Overflow capacity

Need extra hands on a busy stretch? We can take on overflow scopes.

Insured & workers' comp

Fully insured. COI and W-9 sent on request.

Scheduling flexibility

We work around your trade sequence and adjust as the job moves.

Punch-list-ready finish

Joints, reveals, and paint-grade seams dialed in the first time.

One point of contact

Direct line for scheduling, change orders, and site questions.

BIDS, DOCUMENTS & RESPONSE TIME

Send plans and scope for a bid at maderafinishcarpentry.com — the For Contractors page accepts photos and plan uploads. We respond within 1 business day. Certificate of Insurance (COI) and W-9 are available on request through the same page.
